

PLATINUM INDUSTRIES PRIVATE LIMITED
CORPORATE SOCIAL RESPONSIBILITY POLICY (CSR) POLICY

PREAMBLE:

- This policy, which encompasses the Company's philosophy for delineating its responsibility as a corporate citizen and lays down the guidelines and mechanism for undertaking socially useful programmes for welfare & sustainable development of the community at large.
- The aim of the Corporate Social Responsibility Policy (CSR Policy) is to ensure that it becomes a socially responsible Corporate Entity contributing towards improving the quality of life of the Society at large.
- This policy shall apply to all CSR initiatives and activities to be undertaken by the Company independently or any Group Company or any NGO or through a registered public charitable trust.

CSR ACTIVITIES:

In accordance with the requirements under the Companies Act 2013 and the rules made thereunder, **Platinum Industries Private Limited** CSR activities, amongst others, will focus primarily on Primary Education, Healthcare and Sustainable Livelihood. Activities proposed to be carried out by the Company including through Charitable Trust for fulfillment of our CSR vision would include the following:

1. Sustainable Development Principles

All CSR interventions will follow sustainable development principles - they will factor social, human rights and environmental impacts in their design and execution.

2. Education

Promoting education, including special education and inclusive education for children with disability, and skill development and livelihood enhancement projects. We have a unique programme to support young girls education which is an initiative to financially support girls from disadvantaged backgrounds, who wish to pursue higher education after grade 12.

3. Community Health Care

Engaging with the community to promote health care including preventive health care, safe drinking water and sanitation. Providing primary health care services for disadvantaged communities who are proximate to our areas of business operations.

4. Promoting human resource development.

Development of fair-minded individuals who act with high ethical standards and a sense of responsibility
Training of professionals with advanced expertise, technical skills and originality in problem solving
Development of leaders who act with foresight and a sense of balance
Development of individuals, professionals, and leaders who can play an active role in global business

5. To start, run, maintain and/or construct day care for senior citizens and conduct other ancillary activities to engage such citizens and provide them with platforms to conduct their life independently.
6. To start, run, maintain and/or construct/develop, primary and secondary schools, colleges, boarding houses, adult education schools, night schools, coaching classes including creation of all facilities for the same, any special project on education, empowerment of women for education/health and self-Employment.
7. To establish, maintain and run health related institutions, camps for medical check-up, diagnosis, and treatment of diseases, helping disabled people, to start a blood bank, to start medical centers, to give medicines to the needy and perform surgical operations or extend monetary help for the same, to start and / or assist medical and educational research centers, to grant scholarships, prizes and other rewards relating to the said fields.
8. Advancement of any other object of general public utility, and relief like conducting seminars on educational advancement, providing necessary assistance including Disaster Management assistance during natural calamities and such other assistance as may be required from time to time.
9. For giving medical aid and relief, including establishment, maintenance and support of hospitals, dispensaries, clinics and other similar activities.
10. For relief of the poor, including establishment, maintenance and support of the institutions having similar objects. Also to provide food or other essentials to poor and needy families.

And all other charitable activities for the benefit of public at large.

The approach of Company towards CSR will be oriented to identify and formulate projects in response to the need of society and to implement them with full involvement and commitment in a time bound manner. To take all reasonable steps for fulfillment of projects to be undertaken as a part of CSR activities and to provide all the facilities which are required for the targeted beneficiaries.

CSR Policy and initiatives/activities there under will be based on Social Commitment and necessarily be community oriented with focus on an integrated, overall, inclusive, equitable and collective approach.

The CSR Policy will aim at socio-economic development schemes with the primary goal of

ensuring that benefits reach the targeted beneficiaries.

CSR activities/programmes to be undertaken shall be in line with approved guidelines of the Ministry of Corporate Affairs.
